My website: <https://muraddev.com/az>

About me:

I'm someone who can learn knowledge that others may take a long time to learn in a very short period of time. I have confidence in myself, am skilled in communicating with people, and have a high level of responsibility in my work. One of my biggest goals in life is to become a professional in the IT field and contribute my skills to this field in my country.

SKILLS

HTML	OOP
CSS	Responsive design
JavaScript	SCSS
JQuery	ECMAScript
PHP	Bootstrap
Laravel	Adobe Ps
MYSQL	Figma
React	Marsy
Redux	MySQL
Git	Vue 3
gulp	typeScript
